

Nuendo - Rulers – Feet + Frames

Nuendo can Display Film Formats (feet and frames for 16mm and 35 mm film) in timeline and counters. To choose this, you can right click on the Ruler at the top of the project view.

Feet + Frames 16mm

Feet and frames, with 40 frames per foot

Feet + Frames 35mm

Feet, frames and 1/4 frames, with 16 frames per foot
